

MATERIAL SAFETY DATA SHEET

Product and Company Identification:

Trade Name: **Microcel Puff**[®]
Distributed by: ACOR Orthopaedic, Inc.
18530 S. Miles Pkwy.
Cleveland, OH 44128
Emergency No.: Tel (216) 662-4500

Hazardous Identification:

Chemical Family: Ethyl Vinyl Acetate

Physical / Chemical Data:

Appearance: Foam sheets, all colors
Odor: Negligible
Boiling Point: N/A
Melting Point: N/A
Percent Volatiles: 0%
Solubility in Water: N/A
Chemical Family: Ethyl Vinyl Acetate

Fire and Explosion Hazard Data:

Flash Point: N/A
Flammable Limits: N/A
Extinguishing Media: Any media as appropriate for combustibles.
Special Procedures: None
Unusual Hazardous: None

Reactivity Data:

Stable Unstable

Conditions to Avoid: None

Incompatibility: None

Decomposition Byproducts: May include carbon dioxide, carbon monoxide, hydrocarbon, and chlorine decomposition products.

Hazardous Polymerization: Will not occur.

Health Hazard Data:

Effects of Overexposure: None are expected with normal handling.

Inhalation: Dusts may cause respiratory irritation

Eye Contact: Dusts may cause irritation

Skin Contact: - Not considered a primary skin irritant per ISO guidelines.
- Not considered to be a skin sensitizing agent.

Ingestion: None known

Chronic Exposure: None known

First Aid Procedures: None required

Precautions for Safe Handling and Use:

Released or Spilled: None

Waste: None

Handling and Storing: None

Other Precautions: None

Control Measures:

Respirator Protection: Cutting and other finishing may create dust. Ventilation and personal protection should be similar to all operations generating nuisance dust.

Ventilation: As appropriate for nuisance dust.

Protective Gloves N/A

Eye Protection: As appropriate for nuisance dust.

Other Protective Equipment: None
